**Most seniors never get enough exercise.**

**In His wisdom God decreed that seniors become forgetful so they would have to search for their glasses, keys and other things thus doing more walking.**

**And God looked down and saw that it was good.**

**Then God saw there was another need.**

**In His wisdom He made seniors lose coordination so they would drop things requiring them to bend, reach & stretch.**

**And God looked down and saw that it was good.**

**Then God considered the function of bladders and decided seniors would have additional calls of nature requiring more trips to the bathroom, thus providing more exercise.**

**God looked down and saw that it was good.**

**So if you find as you age, you are getting up and down more, remember it’s God’s will.**

**It is all in your best interest even though you mutter under your breath.**

## The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

- FIRST:** Is it the TRUTH?  
**SECOND:** Is it FAIR to all concerned?  
**THIRD:** Will it build GOODWILL and BETTER FRIENDSHIPS?  
**FOURTH:** Will it be BENEFICIAL to all concerned?

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST.** The development of acquaintance as an opportunity for service;  
**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;  
**THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;  
**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
