Randy, a Texan farmer goes to Australia for a vacation.

There he meets Glen, an Aussie farmer and gets talking.

The Aussie shows off his big wheat field and the Texan says, “Oh yeah. We have wheat fields that are at least twice as large.”

Then they walk around the farm a little, and Glen shows off his herd of cattle.

Then Randy says, “We have longhorns that are at least twice as large as your cows.”

The conversation has, meanwhile, almost died when the Texan sees a herd of kangaroos hopping through the field and so he asks.

“And what are those?”

Glen, the Aussie replies with an incredulous look, “Don’t you have any grasshoppers in Texas?”

# THAT'S OUTRAGEOUS!

## PHONING IT IN

### CRASHED OUT

A driver was looking at his mobile phone when he drove through a stop sign and crashed into a police car.

It was convenient, as the officer was in the area to enforce a state-wide anti-distracted driving campaign.

### S-S-SAGE ADVICE

A man who stumbled across a snake decided to take a selfie with it draped around his neck. The publicity-friendly serpent sat for a few photos before digging his fangs into the man, sending him to the hospital.

Wised up, the would-be wildlife photographer offered this sage advice: "Don't mess with snakes,"

### TOPPLE THAT

An art installation at a pop-up gallery consisted of four long rows of pedestals topped with differently designed crowns.

Impressed, a gallery goer crouched in front of the exhibit and snapped a selfie.

She then turned the DIY portrait into performance art when, losing her balance, she fell into the installation, creating a domino effect that knocked over an entire row of pedestals and resulted in \$200,000 worth of damage.

### DON'T PRESS SEND!

Two messages senders they wish they could claw back:

- 1) "I love you." Meant for his girlfriend, it instead went to his ex-wife.
- 2) "I'm sorry. I hate when we fight cuz I really like you and wanna be with you." To which the person receiving the text responded, "I love you too ..... But who are you?"

### NOT A BRIGHT LIGHT

Police pulled over a man for driving his scooter at night without a working headlight.

But he wasn't completely in the dark. His way was illuminated by the light coming from his mobile phone, which was strapped to the mirror.

## The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

- FIRST:** Is it the TRUTH?  
**SECOND:** Is it FAIR to all concerned?  
**THIRD:** Will it build GOODWILL and BETTER FRIENDSHIPS?  
**FOURTH:** Will it be BENEFICIAL to all concerned?

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST.** The development of acquaintance as an opportunity for service;  
**SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;  
**THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;  
**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
